

SafeFire Handgun Rentals

SafeFire's rental program runs on an Open Case system! With our Open Case Rental system, you can rent as many firearms as you'd like for one flat hourly rate. Rent as many as you'd like to compare and contrast different firearms before you purchase, or stick to one firearm for the entire duration! Plus, if you end up purchasing one of the firearms you rented within a month of visiting, we'll refund your rental fee! Simply present your rental receipt when purchasing the gun to receive your refund.

When renting with us, you:

- Must be legally able to possess a firearm in order to rent from us.
- Must purchase our ammo as per our rental contract with these manufacturers.
- Can only take 1 gun at a time per lane.
- MUST bring your own firearm with you or have a buddy come with in order to take advantage of our rental program.
